

Art Vault

Conveniently located in the heart of the City of Chicago, our freshly renovated facility offers state of the art, museum-quality amenities that give clients and their insurers peace of mind.

Our ISO 6 Fireproof Building sits 625 feet above sea level and is powered by 85% green energy, crowned by an expansive rooftop solar field.

our facility

- Fireproof rating of ISO 6 – the highest possible rating set by national agencies.
- Climate controlled at a constant 70°F and 50% humidity +/- 2%.
- 26,000 cubic feet of climate controlled storage.
- 20,000 square feet of climate controlled flat file storage.
- 10' x 10' stainless steel & aircraft aluminum vault doors, equipped with eleven ¾" dead bolts with digitally actuated locking pins.
- A three-tier alarm system – central station, in-house and remote access.
- 24/7, 365 redundant video surveillance ensures that in the event that one video system is compromised another independent system takes over.
- An uninterruptible three-tier emergency electrical backup system.
